Words of value

Quotes from G. A. Menon

The values we live by

Humility

We will listen, learn, be empathetic and help selflessly in our interactions with everyone.

Humanity

Through business, we will better the lives of those less fortunate than ourselves.

Integrity

We honor our commitments and act with responsibility in all our relationships.

The life of Mr. Menon

From the inception in 1999, at the heart of UST lives the vision of our Founder Chairman G. A. Menon who first charted the course for UST. His inspirational leadership and unwavering belief in humility, humanity and integrity are the foundations on which UST runs its business.

G. A. Menon, a visionary leader, was born in Kerala, South India. After completing his graduation in Mathematics from the University of Madras, he went on to do his

Masters from Harvard Business School. He began his career as a Systems Manager with IBM in India. After leaving IBM in 1978, G. A. Menon set up Multi-Tech Systems, which merged with Venture Manufacturing Singapore Ltd. in 1989 to become one of the world's largest electronics manufacturing companies. He was also the Founder Chairman of US based Magnecomp International, a manufacturer of high precision suspension assemblies used in hard disk drives.

In 1999, he set up UST which is headquartered in California with its first off-shore development center at Technopark, Trivandrum. Around the same time, he started another company, Toonz Animation in Los Angeles, with a state-of-the art animation studio called Toonz Animation India Pvt Ltd., again in Technopark. Many people who know him closely fondly refer him as a "Pheno-Menon."

In 2003, G. A. Menon passed away at the age of 72, leaving behind a rich and everlasting legacy. At the time of death, he held the position of Chairman of 10 global companies. G. A. Menon's noble vision remains UST's guiding force, driving our company forward, transforming lives worldwide, for our associates, clients,

The voice of Mr. Menon

"In UST, we give responsibilities - not orders."

"No one has the right to make another person unhappy."

"Only people who take responsibilities succeed in life."

"Employers want employees who will find ways to complete their jobs on their own with minimum supervision and guidance."

"In UST, no one should have fear — of their supervisors or of doing their jobs."

"Competent people working in harmony will produce the best results. Both 'competence' and 'harmony' are equally important."

"We are committed to utilising the talents of all our people to the fullest."

"Our aim is to make every employee an expert. If each person becomes an expert in one or more areas, imagine the power and knowledge we can bring to bear - to benefit not only us but the entire society and the entire country."

"You will not make a mistake only when you attempt nothing."

"You must shoot for the moon. You may not reach there, but at least you will reach the top of a small hill. Otherwise, you will remain where you are."

"You can't keep a good man/woman down."

"Everyone is a leader in his/her own right."

"A competent person always knows what he/she wants. He/she is confident about his/her abilities, beliefs, values and actions, without being arrogant."

"Show me a grumbler and I will show you a loser."

"People need people to succeed. The success of every business depends on good human relationships. We should work hard to build and maintain great relationships among ourselves and our customers."

"It is important to be un-selfish. People are attracted to un-selfish people. Selfish people repel others. We need others to succeed. No one can succeed by himself/herself."

"Look for ways to help others every day."

"Everyone must dream high. If you do not dream, how will your dream come true?"

"Everyone should have the 'Fire in the belly' to achieve high goals in their life."

"Human progress depends not on doing the same things over and over again. Human progress happens only when people do different things."

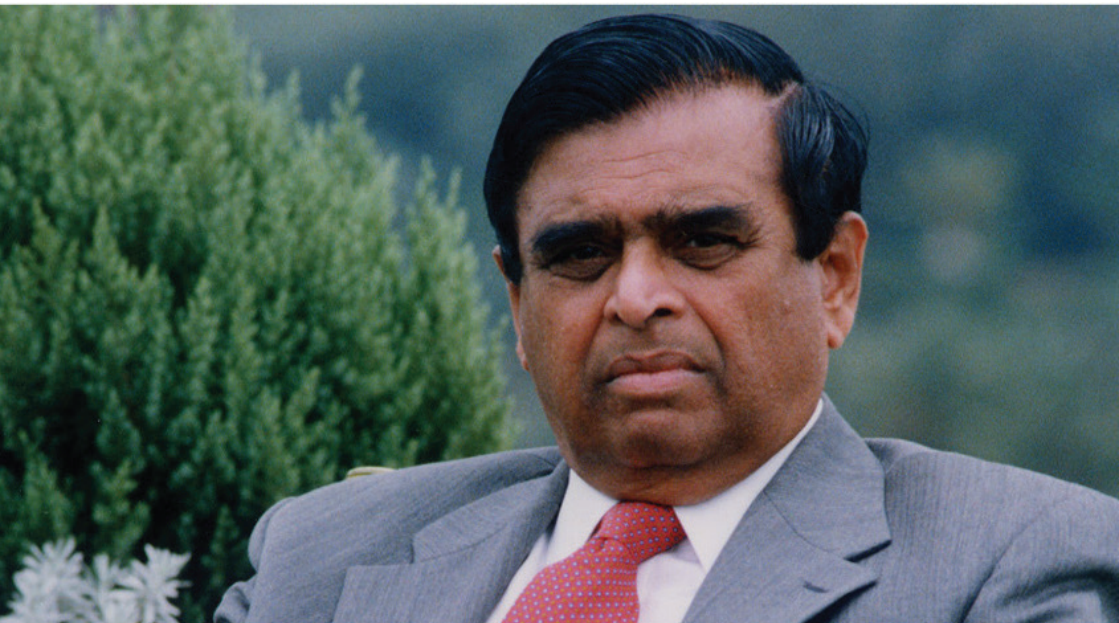

"Every day think of what you can do today that you have not done till yesterday. One should try to do new things everyday."

"Always make decisions based on facts and figures – not opinions, emotion, rumours, or hearsay."

"We are all equal; we do different jobs."

"The shareholders of UST will use most of the wealth created to help people less fortunate than ourselves. Each one of us should mentor youngsters and help them become achievers. We are involved in something higher than ourselves. You should be in UST because you want to be a part of a noble mission. If you believe in this aim and you are inspired and motivated by this belief, no one can stop us."

"Our values and culture drive the success of our organisation."

"Our values and culture
drive the success of our
organisation."
